**Japanese Yoga Philosophy**

We believe that all magnets attract each other, and this idea is central to the teachings of Japanese yoga philosophy. In this system, the concept of magnetism is used to describe the phenomenon of like attracting like, regardless of their size or strength. This idea is used to explain the interconnectedness of all things in the universe, and the idea that everything in the universe is interconnected and interdependent.

**Sacred Space**

Sacred space is the only common denominator in everything that's happened to me - in life, in love, in God, in Buddha. In all of these experiences, you must accept the role you played.

**Mission Mayawati**

Exodus of senior leaders dubs her dream of staging a big comeback in UP

In a bid to regain her political clout, Mayawati has recently made a decision that is certain to unsettle the opposition. She has decided to reconstitute her party's state executive committee, which is a clear indication of her intention to make a comeback in the upcoming assembly elections in the state.

Mayawati's decision has been met with a mixed reaction from the political fraternity. While some are confident that she can stage a comeback, others believe that it might be too late for her to make a mark in the political scene.
